

Request for Sale/Transfer of Burial Rights at Puritan Lawn Memorial Park

Currently Puritan Lawn Memorial Park does not have a program for regular re-purchase of burial rights. On occasion, in older sections with limited space, the Directors may elect to re-purchase burial rights. The amount offered for re-purchase is at the discretion of the Directors and typically will not be greater than the amount on the original purchase agreement.

If you would like to donate the lot back to Puritan Lawn Memorial Park, you may do so and the transfer fee would be waived. Directors will at their discretion elect to assist families with limited means and tragedies in their life by providing space at no charge.

You may sell/transfer the burial rights to another party. If requested, Puritan Lawn staff will show the lots to any prospective purchaser on your behalf. If you would like to advertise, you may do so on social platforms etc. Please do not place advertisements for your lot on Puritan Lawn social pages or on ads.

We will need a copy of the deed(s) in question as well as a signed and notarized Transfer of Ownership document for each lot. The document will be prepared by Puritan Lawn and should have complete information of the person(s) receiving the lots (Name, address, phone, e-mail etc.).

The person or persons whose name appears on the deeds must sign the prepared documents. If the original deeded owner(s) is deceased, the remaining lots will descend to their heirs unless specifically mentioned in the will. If you are a rightful heir(s) per Mass Cemetery Law and the original owner is not buried at Puritan Lawn, we will need a copy of their death certificate(s) and a completed record-of-heirs form.

When we receive the above documents and the \$250.00 transfer fee, we will send the completed transfer document and new deeds to the purchaser.
